Hi erica: This looks good on Santa Monica. Very helpful. Same request to you as for Suzanne; please get info on overall budget similar to what we have for SFEP. Thanks!

Hi Sam,

Here's the summary for Santa Monica Bay NEP. I'll be here today and tomorrow (and back on Monday) if you need any more info. I didn't include any photos as I believe you already have several from previous site visits.

Thanks,

Erica

Hi NEPers:

Tomás has asked me to brief Alexis in about two weeks on our NEPs. She heard that there were changes at Santa Monica, and not knowing what they were she wanted to know more. This briefing will be a good opportunity to refresh our management on the current status of our 3 NEPs. I would like your assistance in providing me with the following information:

Organizational structure

Budget: how they use the EPA funds

Staffing

Primary upcoming work for the coming year

Needs and issues

It would be best if you can get this info to me by Wednesday May 10 which is the day I return from vacation.

Currently my understanding is that it will be just me doing the briefing, but if that changes I will be happy to have you join.

In terms of the requested info, I will then turn it into a ppt aiming to have two slides for each NEP.

Thanks!
